## WELCOME

---

*Your event doesn't have to be just for a day.*

---

Unlike other venues, at Blue Hill your event doesn't have to be for just a day. You can stay in our quaint cabin or picturesque lodge rooms. Our property is located on the Neversink River where you and your guests can fish or swim or take a leisurely stroll and enjoy first class dining at the Blue Hill Café.

You may even find yourself at the Claryville Art Center, or The Russian Mule Brewing Company right on site. Our surrounding area is famous for hiking, biking, fishing, hunting and we are just 30 miles away from Bethel Woods Center for the Arts and the Resorts World Catskills Hotel & Casino. Making Blue Hill the perfect weekend wedding or event venue, for you and your loved ones, colleagues, or clients.

The information in this planning guide is meant to help you through (almost) all of your Wedding / Event-related questions.

If you still have questions afterwards, don't hesitate to get in touch!
